YOU NEVER GET A SECOND CHANCE TO MAKE A FIRST IMPRESSION. SO LET NANCY STEVENS HELP YOU GET IT RIGHT EVERY TIME

Whether you like it or not, first impressions are everything as it's something you can never undo. But how do you know if you're doing yourself justice? Ask yourself:

- 1** Do you reach for black again and again because you feel fat or because it's safe?
- 2** Do you honestly feel that you look your best when you leave the house?

- 3** Are you wearing clothes that truly flatter your colouring and your shape?
- 4** Have you changed your make-up or hairstyle in the past three years?
- 5** Would you like to look fab without dieting or cosmetic surgery?

If you've answered yes to more than two questions, perhaps you'd benefit from a consultation with Nancy Stevens, a leading

independent image consultant. 'I truly believe that we are all beautiful, but many struggle to express that beauty,' says Nancy. I can show you how you can look great by accentuating the bits you love about your body, simply through clever dressing.'
